

THANK YOU for taking the time to look at the many ways you can help support The Phillips Academy. This is a fundraiser that will help us to enrich our students' lives by enabling us to fund programs that are not covered by tuition alone.

HOW IT WORKS Scrip is a no-cost fundraiser.

Simply purchase gift cards and/or E-gift cards to use when you shop, eat out, or travel. You get the full value of the card, and TPA earns a percentage of the profit. It's a win-win!

We have over 100 different gift cards in various amounts in stock, and many more that can be special ordered. And the great part is, you don't have to spend any extra money or sell anything. Everyone needs to buy groceries, clothing, and gas. We have scrip for that! Going out to eat? We have scrip for that! Need a gift for someone? We have you covered! Buy Scrip before you shop and help support TPA!
